career objective

A results-driven MERN Stack Developer with professional experience in building scalable web applications and dynamic user interfaces. Proven ability to lead development teams and integrate complex APIs. Eager to contribute technical expertise to a forward-thinking team to build high-impact digital products.

Technical Skills

- **Languages:** JavaScript (ES6+), HTML5, CSS3
- **Frontend:** React.js, Next.js, Tailwind CSS, GSAP
- **Backend:** Node.js, Express.js, MongoDB
- **CMS & Tools:** WordPress (Plugin Development), Gutenberg Blocks, Git, Firebase
- **Deployment:** Vercel, Netlify, WordPress CLI
- **AI Tools:** Gemini, Claude, GitHub Copilot, ChatGPT

Soft Skills

- **Teamwork:** Strong collaborator who thrives in team environments and enjoys working with cross-functional teams.
- **Problem Solving:** Resourceful in overcoming technical challenges and finding efficient solutions.
- **Adaptability:** Quick to learn and adapt to new technologies, frameworks, and project requirements.
- **Attention to Detail:** Focused on delivering high-quality, error-free code with attention to UI/UX details.

Professional Experience

Kodezen Limited | **Team Lead (GemCRM)** | Dec 2024 – Present

- **Leading** the GemCRM plugin development team, overseeing front-end UI architecture and API integration.
- **Developing** custom Gutenberg blocks and extending WordPress functionality using React.js.
- **Managing** full-cycle testing, debugging, and issue resolution to ensure high performance and stability.
- **Collaborating** with cross-functional teams to translate complex logic into user-friendly interfaces.

Selected Projects

Full Stack Expense Tracker

- Built a responsive financial management tool using MERN stack and Flux architecture.
- Implemented a custom design system and MVC backend pattern for better scalability.
- Tech: React.js, Node.js, MongoDB, Tailwind CSS, Netlify.

YouTube Video Downloader

- Developed a high-performance video retrieval app integrated with the YouTube API (Rapid-API).
- Features multi-resolution download options and a mobile-first responsive design.
- Tech: React.js, Tailwind CSS, REST APIs.

Education

- **B.Sc. in Computer Science & Engineering | First Capital University of Bangladesh (2026 – Present)**
- **Diploma in Engineering (Computer Technology) | Jhenaidah Polytechnic Institute (2021 – 2025)**

Training & Certification

- **Professional Web Design | Creative IT Institute, Dhaka (July 2024)**
